

# Readathon

## Benefiting Mentor Schools Foundation

Dear Parents/Guardian,

### **March 1-14, 2023 READ-ATHON**

Each year the Mentor Schools Foundation sponsors a Read-A-Thon for our elementary students grades K-5 to encourage reading while fundraising for the foundation to provide enrichment programs in Mentor Schools. Students who raise \$25 or more earn a water bottle and a FREE pizza from G-Licious. Books will be awarded to classrooms with the highest participation! Prizes will be awarded to the top 3 overall fundraisers.

### **It's easy and fun to participate!**

1. Students simply obtain pledges (below) from adults who support their reading efforts.
2. From **March 1-14**, students read as many books as possible and record them on the reverse. Best of all, regular, required reading by classroom teachers counts toward this program!
3. Students collect donations pledged to them. Any and all contributions are welcome. Students who collect \$25 or more in pledges will earn a water bottle and free pizza.
4. Complete this sheet and return it to school with donations (checks payable to Mentor Schools Foundation) by March 14th in an envelope marked "Read-a-Thon."

**About the Mentor Schools Foundation**

The Mentor Schools Foundation was established in 1985 by local education, business and community leaders as a separate not-for-profit organization to assist the Mentor Public Schools in delivering quality education. The foundation provides additional financial resources to teachers to enhance classroom learning. Since its inception, more than \$130,000 has been awarded in grant monies to support innovative Mentor Schools projects.
